Oak & Mica Pool Table Lights

These beautiful lights provide the perfect illumination for pool tables, bars or other locations where bright even light is essential. These lights feature five downlights that take standard flood light bulbs. To help reduce swaying, they are held perfectly balanced by 4 chains -- one on each corner. Our standard model is a frame of 2" solid oak framing mica that radiates a warm even light. You can also decorate this frame as you choose with antlers, replica guns and more. All fixtures by D Bar X Lighting are [UL-Approved](#) and all wiring is internal. [100% satisfaction guarantee](#). [Click here](#) to see standard chain colors: antique brass, black or rust. Custom chain finishes available upon request. Please specify chain length when ordering. Please ask about other custom options. Shipping price is for 1 item anywhere in the continental US. Combined item shipping available.

Double-Level Log & Leaf Pool Table Light

Our double-level "Log & Leaf" light is perfect for illuminating your pool table, bar, island or longer dining room table. At 6-feet from shade to shade, it will be the perfect compliment in your larger spaces. The structure is made from authentic lodgepole logs with stem and leaf highlights. It features five larger edison-style lights below and three candelabra-style lights above with your choice of mica or rawhide shades. It is shown with a dark brown finish on the logs and a rust finish on the leaves. Other finishes are available. All chandeliers from D Bar X Lighting are [UL-Approved](#) and all wiring is internal. [100% satisfaction guarantee](#). Please specify chain length. Please ask about other custom options. Shipping price is for 1 item anywhere in the continental US. Combined item shipping available.
