## Rustic Wall Sconces [Print this Page](#)

Our new lantern wall sconces are a great way to add a beautiful rustic touch to a room without using valuable floor space. They are the perfect compliment to our [wagon wheel chandeliers](#) [with lantern lights](#). They are UL-Approved for dry/damp locations so they are perfect for garages, barns, porches, stables and other outdoor or indoor areas. For windy areas, we recommend adding an [anti-sway rod](#) at no additional cost. Standard wiring on wall sconces is for direct wiring into junction box on your wall, but we can also wire them with a cord and plug for plugging into electrical outlet. All direct-wired wall sconces by D Bar X Lighting are [UL-Approved](#). [100% satisfaction guarantee](#). [Click here](#) to see standard lantern finishes: galvanized, flat black, glossy black, painted rust, old-fashioned rust, flat dark brown, or oil-rubbed bronze. Please ask about other custom options. [Lantern downlights](#) also available (\$20 each). Shipping price is for 1 item anywhere in the continental US. Combined item shipping available.
